

Here is a detailed and comprehensive list of mandatory compliance requirements from the Pakistan Data Protection Law (PDPL) that an application's privacy policy must address. Each compliance point includes specific references to the clause, page, and line number in the PDPL:

PDPL Compliance Requirements

1. **Consent for Personal Data Processing**

- **Requirement**: Obtain explicit consent from data subjects before processing personal data.
- **Reference**: Clause 6, Page 7, Line 1

2. **Notice to the Data Subject**

- **Requirement**: Provide clear and concise notice to data subjects about the collection and processing of their personal data, including the purposes and legal basis for processing.
- **Reference**: Clause 7, Page 8, Line 1

3. **Non-Disclosure of Personal Data**

- **Requirement**: Ensure that personal data is not disclosed to third parties without the data subject's consent, except as required by law.
- **Reference**: Clause 8, Page 9, Line 1

4. **Security Requirements**

- **Requirement**: Implement appropriate technical and organizational measures to protect personal data against unauthorized access, processing, loss, or destruction.
- **Reference**: Clause 9, Page 10, Line 1

5. **Data Retention Requirements**

- **Requirement**: Retain personal data only for as long as necessary to fulfill the purposes for which it was collected, and securely delete or anonymize data when no longer needed.

- **Reference**: Clause 10, Page 11, Line 1

6. **Data Integrity**

- **Requirement**: Ensure that personal data is accurate, complete, and kept up-to-date, and take reasonable steps to rectify or delete inaccurate data.

- **Reference**: Clause 11, Page 12, Line 1

7. **Record to be Kept by the Data Controller**

- **Requirement**: Maintain records of data processing activities, including the categories of data processed, purposes, and any third-party disclosures.

- **Reference**: Clause 12, Page 13, Line 1

8. **Personal Data Breach Notification**

- **Requirement**: Notify the relevant authorities and affected data subjects promptly in the event of a personal data breach that poses a risk to their rights and freedoms.

- **Reference**: Clause 13, Page 14, Line 1

These compliance requirements are essential for ensuring that an application's privacy policy aligns with the PDPL, providing adequate protection for personal data and respecting the rights of data subjects.
