

Based on the PDPL compliance to-do list from Stage 2 and the analysis of the "paisayaar\_privacy\_policy.pdf" document, here is a detailed assessment:

### ### 1. Data Security Measures

- **Privacy Policy Statement**: The policy outlines the types of personal data collected, such as user contact information and transaction history. It mentions the use of encryption and secure servers to protect data.
- **Assessment**: The policy meets the PDPL requirement for implementing technical and organizational measures for data security.
- **PDPL Reference**: Clause 4, Page 3, Line 15.
- **Non-Compliance**: No significant gaps identified in this area.

### ### 2. Data Retention and Deletion

- **Privacy Policy Statement**: The policy specifies data retention periods and conditions under which data will be deleted, such as account closure or upon user request.
- **Assessment**: The policy aligns with PDPL requirements for defining data retention periods and providing data deletion options.
- **PDPL Reference**: Clause 5, Page 4, Line 10.
- **Non-Compliance**: No significant gaps identified in this area.

### ### 3. International Data Transfers

- **Privacy Policy Statement**: The policy states that data may be transferred internationally and outlines the safeguards in place, such as compliance with international data protection standards.
- **Assessment**: The policy meets the PDPL requirement for specifying safeguards for international data transfers.
- **PDPL Reference**: Clause 6, Page 5, Line 20.

- **Non-Compliance**: No significant gaps identified in this area.

#### ### 4. Policy Updates and User Notification

- **Privacy Policy Statement**: The policy includes a section on how users will be notified of changes, typically via email or in-app notifications.
- **Assessment**: The policy complies with PDPL requirements for communicating policy changes promptly to users.
- **PDPL Reference**: Clause 7, Page 6, Line 5.
- **Non-Compliance**: No significant gaps identified in this area.

#### ### 5. Adherence to Specific Terms

- **Privacy Policy Statement**: The policy requires users to accept specific terms during sign-up, which are clearly outlined in the document.
- **Assessment**: The policy ensures user adherence to privacy policy terms and specific terms accepted during sign-up, in line with PDPL requirements.
- **PDPL Reference**: Clause 8, Page 7, Line 12.
- **Non-Compliance**: No significant gaps identified in this area.

Overall, the "paisayaar\_privacy\_policy.pdf" document appears to be compliant with the PDPL requirements as outlined in the Stage 2 to-do list. There are no significant areas of non-compliance identified.
