  - **PDPL Clause Reference:** [Specific clause reference needed]

  - **Page and Line Number:** [Specific page and line number needed]

3. Actionable Recommendations

- **Data Retention and Deletion Policies**

  - Clearly define data retention periods and secure deletion processes in the policy.

- **Data Security Measures**

  - Include detailed descriptions of technical and organizational security measures to protect user

data.

- **International Data Transfers**

  - Address cross-border data transfers by including user consent and protection measures in the policy.

- **Data Breach Notification**

  - Establish clear procedures for notifying users and authorities in the event of a data breach.

- **User Rights**

  - Explicitly state user rights to access, correct, and delete their data within the policy.

- **Consent Management**

  - Implement explicit consent mechanisms and provide options for users to withdraw consent for data processing and sharing.

This report highlights the areas where the 'paisayaar_privacy_policy.pdf' document needs improvement to fully comply with the PDPL. Addressing these points will help in achieving full alignment with the law.
